7	To consider a proposal to license the Grosvenor Centre for weddings & civil ceremonies. Jordan presented a proposal to licence the Grosvenor for weddings. The cost is £1500 for a three-year license. This would enable the community to hold whole wedding ceremonies at the Grosvenor, providing a cost-effective alternative in the locality. The committee agreed that a cost/benefit analysis should be carried out. The Chief Officer to investigate further.
8	To consider a request from a regular hirer for a storage container at the Grosvenor Centre The committee agreed in principle, subject to approval at Full Council, for the regular hirer to purchase and place a storage container for their use on the Grosvenor site. The hirer undertakes this at their own risk and will be required to insure the storage and its belongings.
8	Debrief GFest 2026 Overall, the festival was very well received with positive feedback. Some events were more successful than others, possibly attributed to clashing with World Cup games.
